

BECOME A HOST COMPANY

The French-American Chamber of Commerce (FACC) in New York is a U.S. Department of State accredited sponsor for the Exchange Visitor Program, facilitated by the **J-1 visa**.

Since 1971 we have supported our member companies in their pursuit of hosting **top international talent** (graduates of HEC, EDHEC, ESSEC, INSA, ESPCI, Ponts Paris Tech, ENSAM, Polytechnique & more). As a host company, cultivate a multicultural multilingual workplace and grow your business when you unlock access to the FACC's nation-wide network of premier French and American professionals.

Thanks to the FACC's support and unparalleled customer service, becoming a host company is easy. We take a personalized approach to each visa we sponsor, with a dedicated account manager who supports you, no matter where in the U.S. you're located.

To note: The J-1 program is a non-immigrant visa, participants are expected to return to their home country at the end of their mission. All participants must be on a full-time schedule, supervised, and paid at least the local minimum wage. Discover our programs for U.S.-based host companies:
